HISTORIC AMERICAN BUILDINGS SURVEY
INDEX TO PHOTOGRAPHS

14 North Warren Street
(Commercial Building)
(True American Building)
Trenton, Mercer County
New Jersey

E. Kenneth Hoffman, Photographer, August 1987

- NJ-958-1 View of building from opposite North Warren Street.
Looking east. The True American Building is in the center.
- NJ-958-2 Facade (west side of building).
- NJ-958-3 Facade detail - first floor.
- NJ-958-4 Facade detail - cornice.
- NJ-958-5 Second floor interior, looking from middle of building
toward rear (view to east). Typical interior conditions.
- NJ-958-6 First floor interior, tilework wainscot.
- NJ-958-7 Historic view of building, 1893. This photograph shows the
building just after the major renovations made by the
True American were completed.
Courtesy of the Trentoniana Collection of the Trenton Free
Public Library.
- NJ-958-8 Historic view of the building:
"Warren Street from State Street" ca. 1890.
Courtesy of the Trenton Free Public Library.
This shows the building before the True American's
renovations of 1893. It is the taller of the three-story
buildings, flanked by lower ones in the middle of the
block. At the time of the photograph, the brick exterior
was painted a light color and dark-colored louvered
shutters flanked all the upper story windows.
